MEMORANDUM FOR: DEPUTY DIRECTOR FOR ADMINISTRATION

SUBJECT:

25X1

Section 7.3 of OPA's

25X1

1. As indicated in my previous memorandum dated 10 April 1951, the proposal to reimburse for entertainment expenses presents no legal problem insofar as dual compensation is concerned.

2. Inasmuch as the memorandum from the Assistant Director for Policy Coordination forwarding the enclosed contract has been revised and now indicates that specific accountings will be required, my earlier comments are no longer applicable, and this office is not required to interpose any objection to approval of the agreement in its present form.
